Tigerhead Decals THD72013	1:72	Exotic Supermarine Spitfires. The Rolls-Royce Griffon engine was designed in answer to Royal Naval specifications for an engine capable of generating good power at low altitudes. The concepts for adapting the Supermarine Spitfire to take the new engine had begun as far back as October 1939; Joseph Smith felt that 'The good big 'un will eventually beat the good little 'un.' and Ernest Hives of Rolls-Royce thought that the Griff...
