Italeri IT7078	1:72	Soviet T-34/76 Model 1943 DECALS FOR 5 VERSIONS - COLOR INSTRUCTIONS SHEET The T-34 was one of the most famous tanks produced during WW11 and was the mainstay of the Soviet Army during this conflict. One of the key innovations introduced by the T-34 design was the sloped armor at the front which guaranteed a higher degree of protection from direct hits. The adoption of wide tracks provided excellent mobility on all types o...	Military vehicle kits (injection)	Catalogue	£13.32	5+

Dragon DN6448	1:35	T-34/76 STZ Mod.1941 2 in 1. The T-34 has been described as the most important weapon to help Russia win the war in the East. One location that produced the T-34 was the Stalingrad Tractor Plant (STZ), which became famous for its role in the brutal Battle of Stalingrad. STZ used blueprints provided by Factory No. 183 in Kharkov to produce the T-34, but it modified them slightly to suit locally available components. Given that ... Tamiya TA35033	1:35	Willys Jeep with 2 SAS/Special Air Service Crew figures. British Special Air Service (SAS) was established in 1941, and throughout WWII they engaged in various commando missions including carrying out surprise attacks against critical sites such as airfields and supply bases behind enemy lines. For such operations, they used vehicles which were heavily armed with machine guns. These vehicles were also fitted with various equip...	Military vehicle kits (injection)	Catalogue	£8.33	3

Tamiya TA30057	1:35	WWI British Mk.IV Tank Male During WWI, much of Western Europe was reduced to a massive battlefield criss-crossed by a seemingly unending network of trenches. The original British Mk.I tank was developed to break the deadlock; the Mk.IV was a later model based on many of the same design principle, and of which around 1,000 were produced starting in March 1917. A 'Male' variant was developed to smash through enemy lines and in ...	Military vehicle kits (injection)	Catalogue	£62.49	0
