Valiant Miniatures VM0001	1:72	British (WWII) Infantry 1944-45 'Tommies' 68 hard plastic figures. On 6th June 1944 British, Canadian and American forces stormed ashore on the beaches of Normandy, France. The D-Day invasion signalled the beginning of an eleven month campaign which would result in the liberation of North-West Europe after four years of German occupation. The figures and models in this box are representative of a typical British (or Canadia...	Figures (injection)	Limited Availability	£10.83	9
Valiant Miniatures VM0002	1:72	German (WWII) Infantry 1944-45. 68 hard plastic figures. Unlike the image often portrayed by Hollywood the backbone of the German Army was the largely horse-drawn infantry division. Although these formations may now seem very primitive compared to the fully mechanised British, Canadian and American forces this criticism cannot be made of German equipment. The models in this box include the excellent MG 42 machine gun (which...	Figures (injection)	Catalogue	£10.83	30+

Avis BX72031	1:72	Short S.1 Cockle G-EBKA first metal British flying boat. From Wikipedia... From about 1921, Oswald Short had been thinking about the construction of seaplane floats and flying boat hulls made from metal, specifically duralumin, rather than the traditional wood. The latter always suffered from water retention and did not last well in the tropics. He assembled a team, including C. P. T. Liscomb who had extensive experience with ... Revell RV3262	1:72	Pz.Kpfw.VI Tiger Ausf.H. The Tiger tank was manufactured from 1942 to 1944, during which time it became a legend, much feared by allied tank crews. It was the first tank to mount the 8.8cm KwK cannon, which it used to devastating effect on the battlefield. Revell's detailed model of this early generation Tiger features a rotating turret, early mark idler wheels and injection-moulded tracks for maximum realism. Age Range: 12+ S... Anigrand Craftswork ANIG2058	1:72	McDonnell XF-88A Voodoo. In 1945, USAAF recognized all the early jet fighters lacked sufficient range to escort bombers to the target. So proposals for a penetration fighter were requested. In 1947, McDonnell submitted its larger-sized McDonnell F2H proposal, and was chosen for two prototypes, designated XF-88 Voodoo. The other designs entered the competition were the Lockheed XF-90 and the North-American YF-93A. In 1948, the ...	Aircraft kits (resin)	Limited Availability	£48.33	2
