Matterhorn Circle MHN48018	1:48	Northrop F-5E/F Tiger Peace Alps Part Two) 40 years ago the F-5E/F Tiger was introduced into the inventory of the Swiss Air Force. The Tiger was the last 'inexpensive' mass fighter aircraft for the Swiss Airforce, 98 single-seaters and 12 two-seaters were purchased. It was also the last Jet Fighter that was to be crewed by the militia pilot system; men who followed normal professions but also were professional Fighter Pilots...
