Revell RV3944	1:32	North-American P-51D Mustang New Tool! The P-51D Mustang is one of the most extraordinary and effective combat aircraft of World War II. It proved itself to be a very versatile weapon for long-distance escort duties, as well as in the ground support role. Revell's new-tool model of the early-version variant features a fully detailed cockpit with a choice of seats, two different exhaust systems, detailed oil radiator and under...
