Flightpath UK FHP72216	1:72	RAF Type 'B' Bomb Trolley Set, with 250lb and 500lb GP Bombs Contains two super-detailed trolleys - these were introduced in 1937 and used throughout the war. Both trolleys are supplied with conventional bomb racks and one trolley is supplied with 4 x 250lb GP bombs whilst the second has 2 x 500lb GP bombs. Ideal for all your light and medium bomber displays - Blenheims, Whitleys etc.	Diorama accessories (metal)	Catalogue	£9.99	3
Flightpath UK FHP72217	1:72	RAF Type 'C' Bomb Trolley Set - with 500lb GP Bombs. Makes two trolleys - these are the most common trolleys of WWII - introduced in 1940 and found on most fighter/bomber & bomber bases. Each trolley is supplied with 4 x RAF 500lb GP bombs - essential for all your RAF heavy bomber displays. Note that these are super-detailed trolleys and weapons and quite unlike some of the plastic works of fiction available elsewhere!	Diorama accessories (metal)	Catalogue	£13.33	3

Flightpath UK FHP72218	1:72	RAF Type 'C' Coastal Command Bomb Trolley Set - with Sea Mine. Makes two trolleys - these are the most common trolleys of WWII - introduced in 1940 and found on most fighter/bomber & bomber bases. Each trolley is supplied with a sea mine - ideal for display with your Coastal Command models.	Diorama accessories (metal)	Catalogue	£13.33	2
Flightpath UK FHP72219	1:72	USAAF Type 'C' Bomb Trolley Set - with USAAF 500lb GP Bombs. 2 super-detailed trolleys are included - each with a load of 4 x USAAF 500lb GP bombs. The Type 'C' was the most common bomb trolley of WWII and were used on many USAAF 8th Air Force bases in Britain. This set will make an interesting addition to any B-17 or B-24 display, particularly if modelling a Lead Ship - carrying bombs painted in red and white.	Diorama accessories (metal)	Catalogue	£11.00	4
Flightpath UK FHP72220	1:72	RAF Type 'C. MK.III' Bomb Trolley with 1,000 HC Bombs. This is the larger trolley, used by the RAF in the later war years - being particularly common on Avro Lancaster bases. These trolleys survived way past the end of the war to be used by Lincoln & Canberra squadrons. The trolley comes with 4 RAF 1,000lb HC Bombs. Note that this is a super-detailed trolley + weapons and quite unlike some of the plastic works of fiction avail...	Diorama accessories (metal)	Catalogue	£8.00	3
