Italeri IT0507	1:720	Lutzow German Battleship. On April 1st, 1933 the Germans came out with a new class of ships, the so-called 'Pocket Battle Ships' which belonged to the same class as the 'Deutschland', the 'Graf Spee' and the 'Admiral Scheer'. Later on the 'Deutschland' had to undergo a few changes and was renamed 'Lutzow'. This change of name was made for the simple reason that Hitler could not bear the thought that a ship by the name of 'Deut...	Ship kits, full hull (injection)	Catalogue	£14.99	1
