RS Models RSMI92077	1:72	Re-released! Junkers Ju-86P with pressurised forward fuselage. In 1940, the prototype of the Ju 86P first flow, designed to be a high altitude aircraft, it was found that during trails it could reach a height of 12000m. The Luftwaffe pleased with this new variant, ordered forty of the older models to be converted to the Ju 86P-1 bomber and Ju 86P-2 reconnaissance versions. The P-2 had its cameras installed in the bomb-bay and ...	Aircraft kits (injection)	Catalogue	£31.08	5+
