Airfix AX03401V	1:32	Jaguar 420 Introduced at the 1966 London Motor Show, the Jaguar 420 was a compact sporting saloon in the familiar Jaguar mould. Powered by a 4.2litre straight six, the 420 produced a good 245BHP and proved to be a good handling and powerful saloon of the period. The Airfix model has been unavailable for some time and has therefore become highly collectable, therefore making this new piece a worthy addition to any collection!
