Dutch Decal DDFF-2	1:72	THIS 2ND HAND BUT OK. NEVER OPENED. PLEASE LOG IN AND CANCEL IF NOT WANTED. Facts and Fiction in 72 scale This booklet and decal sheet describes the planes that did not make it into the Dutch Air forces but only just. Plans were drawn up and contracts were sometimes already signed when politics, war, or lack of money frustrated the deal, or that just another plane was chosen. Instead of the NF5 we could have have had Skyhawks ...	Aircraft decals (military)	Limited Availability	£15.82	1
