Microscale MS72044	1:72	Grumman F-14A Tomcats. This set includes VF-1, VF-14 & VF-142 decorations. The F-14 was initially equipped with two Pratt & Whitney TF30 (or JT10A) turbofan engines with each providing a maximum thrust of 20,900 lb (93 kN) and giving the aircraft an official maximum speed of Mach 2.34.[34] The F-14 would normally fly at a cruising speed for reduced fuel consumption, which was important for conducting lengthy patrol missions.[3...
