Mark I Guide MKD48008	1:48	Lockheed T-33 Thunderbird colours and markings. With its roots in the successful Lockheed P-80 Shooting Star jet fighter, the Lockheed T-33, popularly known as the T-Bird, became the USAF's standard advanced trainer of the 1950s. Almost 5,700 T-33As were built for the USAF and USN, of which more than 1,000 were transferred to NATO Allies and others to a number of smaller air forces worldwide, and the aircraft were also licence...
