Special Hobby SH72493	1:72	Curtiss P-40F/L Warhawk 'Desert Hawks with Merlin' The P-40 Warhawk / Kittyhawk fighter aircraft were an important part of the USAAF and other allied air forces throughout the war. In many various subtypes, the P-40s fought on all WW2 battlefields. And so, they bore national markings of many forces and were finished in many various and interesting colour schemes. The P-40F and L airframes differ from other P-40 versions by...	Aircraft kits (injection)	New Arrivals	£16.66	10+
Special Hobby VT48001	1:48	Latecoere 298 float plane. The Latecoere 298 was a French torpedo bomber and anti-submarine floatplane. It also was one of the most efficient French aeroplanes, built in 1939 and introduced to service a year later. Late 298 aircraft fought in the 1940 Battle of France, served with the Vichy regime, captured airframes were even put to use with the German Luftwaffe and one of them was later captured back and used by the RAF. Follow...	Aircraft kits (injection)	New Arrivals	£35.63	10+

Special Hobby SH48200	1:48	<p>SNCAC NC.701 Martinet The German Siebel Si 204 was developed just before the Second World War as a modern transport aircraft. The outbreak of the war meant change in the type's purpose and it began to fly for the Luftwaffe as a trainer. This variety of the Siebel was also produced in oddupied countries, in Czechoslovakia and in France. And in both these countries, the production went on also after the war had ended. The French...</p>	Aircraft kits (injection)	New Arrivals	£45.42	10+
Special Hobby SH48224	1:48	<p>Bell AH-1Q/S Cobra 'IDF Against Terrorists' 1/48</p> <p>The Israeli Air Force acquired and subsequently tested the AH-1G Cobra attack helicopters. Due to the need of helicopters capable of destroying armoured vehicles or the enemy's fortified footholds, Israel in cooperation with its US counterpart converted these helicopters to the AH-1S version. This AH-1S airframes were equipped with the TOW missiles. Israeli helicopters still r...</p>	Aircraft kits (injection)	New Arrivals	£33.00	10+

Special Hobby SH72428	1:72	Heinkel He-59B This re-release of the Heinkel He 59B is suitable for more experienced modellers. It contains four grey styrene sprues, resin cast parts and a fret of etches. The resin parts have been designed anew now as well as the clear plastic ones which replace the original vacuum-formed items. The decal sheet brings markings for a Legion Condor machine flying over Spain during the civil war and a machine in the colours of...	Aircraft kits (injection)	New Arrivals	£44.99	10+
Special Hobby SH72464	1:72	Aero A-11HS 'Finnish Export Version' 1/72 In 1925, Finland bought a dozen of Aero A.11 observation and light bomber biplanes. This meant one of the first export success of the Czechoslovak aviation industry. The Finnish version differed from Czech Aero A.11s by having the more powerful Hispano Suiza engine fitted. The kit comes on three styrene sprues, two clear ones and a few 3D-Printed parts for the HS power unit. The de...	Aircraft kits (injection)	New Arrivals	£16.50	10+
Special Hobby SH72487	1:72	Gloster Meteor TT Mk.20. As the RAF Gloster Meteor Mk.11 jets began to leave the first line duty, it was necessary to find a new job for them. A few of the Mk.11 airframes were converted to a target tug to requirements issued by both the Royal Navy and RAF. These were designated TT Mk.20 and in a similar fashion were also rebuilt Meteor Mk.11s of the Danish Air Force and a Swedish civil operator. Our Meteor TT Mk.20 comes on f...
