Matterhorn Circle MHN72011	1:72	North-American P-51D Mustang. USAAF pilots delivered the first 26 aircraft to D'bendorf in February 1948 and by the end of August of the same year, Switzerland had 100 P-51 (D-20 & D-25) in the inventory. The remaining 30 aircraft had to be brought up to flying condition by Swiss personnel during September and instructor pilots ferried them to Switzerland since the USAAF was busy with the Berlin blockade. The 130 P-51 inclu...	Aircraft decals (military)	Catalogue	£12.49	4
