Albatros Productions WSDA170	No Scale	Sopwith 2F1 Ship's Camel. THIS all-new study of the Sopwith 2F.1 Camel by Colin Owers provides fresh insights into the 'Navalized' version of Sopwith's most famous creation. The author traces the type's service career, both in 'The Great War' and after, with an emphasis on the pioneering wartime aircraft carrier experiments, lighter towing against Zeppelins and other shipboard developments. There are over 60 photographs to support...	Aircraft books	Catalogue	£11.95	2
