SAM Publications MDFSD09	No Scale	MDFSD9 Scaled Down #9 Fairchild A-10A Warthog/Thunderbolt II. The A-10 'Warthog' owed its birth to two influences - the inadequacies of the Close Air Support aircraft used in Vietnam, and the need to counter Soviet armoured might in Europe. During the Vietnam War the Air Force regarded CAS as their domain but was hard pressed to find an aircraft with both the range and loiter capacity to fulfil this need. They did obtain quant...
