MPC MPC881	1:72	<p>Space:1999 Hawk Mk.IX</p> <p>The true origin of the Space:1999 Hawk starship is a bit of a mystery, but it was fully intended to be a formidable weapon. In its first appearance in the episode, War Games, a squadron of ships decimated Moonbase Alpha's fleet of Eagle Transporters. The ship design is reminiscent of the Eagle. The ships shared the same production designer, Brian Johnson.</p> <p>The Hawk, however, was a sleeker design that...</p>	Film, Science Fiction or TV related	Catalogue	£41.66	0
