Revell RV7651	1:24	London Routemaster Bus The AEC Routemaster was presented to the public for the first time in 1954. Compared with the previous bus types the Routemaster, with its integral chassis and bodywork design, was considered to be a real innovation. The double-decker, which was mass produced from 1958, was in particular characterised by the open boarding platform on the rear left allowing quick hop on and off . At the end of the 1950s a...
