AIM - Historic Wings HW-48004	1:48	Goddard's rocket (circa 1926) - This is a highly detailed, 3D-Printed model of the pioneering rocket launched by Dr. Goddard in 1926. It includes a specially commissioned figure of Dr. Goddard, based on a contemporary photograph.	3D printed resin	Catalogue	£22.50	5+

AIM - Historic Wings HW-72004	1:72	Goddard's rocket (circa 1926) - This is a highly detailed, 3D-Printed model of the pioneering rocket launched by Dr. Goddard in 1926. It includes a specially commissioned figure of Dr. Goddard, based on a contemporary photograph. This kit replaces the earlier Historic Wings kit, which used photo etched and cast metal part - this takes advantage of the improved realism of 3D-Printed parts.	3D printed resin	Catalogue	£15.00	2
